Created from Delica 11 and 6 lb Fireline in brick stitch.. Though I usually start in the center of the pattern and thread I found it easier with this design to start at the bottom of the boat with approx 6 ft of thread and wove to the top adding the hook last. I've given a reverse sail design so the sun doesn't look like a "G" when you do the opposing earring. Coat back of beadwork with a q tip and scant amount of Future Acrylic floor polish to stiffen and protect finish. Happy Beading Approx 1 5/8 inches
